LETTER OF SUPPORT

Standing Together for Humanity

28th January 2021

WHD announces our unconditional support to **Pedro I. Altamirano** in his humanitarian work for peace in Spain & Sahrawi region.

Pedro I. Altamirano is our appointed delegate and Secretary General of WHD Spain, recently he has been facing cyberattacks on his personal integrity, honour and dignity due to his intense humanitarian work for peace in the rapprochement of the indigenous Sahrawi people.

We, as a humanitarian organisation have always been proudly committed to support the victims of abuse for their rights to work for humanity to spread peace and harmony around the world.
